Connecting physicians, resources and care 1-800-668-HELP

Here's how it works:

1. Call CritiCall Ontario at 1-800-668-HELP (4357) with your name, hospital, location, phone number and CPSO number.
2. Provide patient's name, age and medical problems.
3. CritiCall Ontario will contact the appropriate facility and specialist.
4. Referring and receiving physicians consult and if necessary, a patient transfer can be facilitated.
